## NOTICE TO MEMBERS

### **Re: new By-Law #1 ratification**

At a Special Meeting of Members held on Sunday December 13, 2009, Credit Union members ratified a new By-Law #1 for our Credit Union.

Our Credit Union's by-law will now comply with the recent changes to the Credit Unions and Caisses Populaires Act, 1994 and the new regulations passed under that legislation which became effective October 1, 2009. In addition, through increased standards of governance and building on our long standing traditions, we can look forward to greater stability for our future operations.
