Subject: Update on Collective Agreement Negotiations

I am pleased to announce that St. Stanislaus-St. Casimir's Polish Parishes Credit Union and the CAW Canada local 252 have reached a tentative labour agreement that will now be subject to ratification by the membership. The CAW will communicate the date of the ratification vote. Details of the settlement are not available prior to the ratification vote.

I would like to take this opportunity to thank both bargaining committees for their hard work and commitment to finding common ground on matters of utmost importance to Credit Union members and its employees.

Yours Truly,

Halina Marszalek McGregor
